Description

Alphastone GmbH & Co. KG has been a technical ship supplier for more than twenty years. Based from Kiel, the Family owned business delivers spare parts, complete systems, and material to customers worldwide.

Amongst clients are vessel owners, superyachts, shipyards and international Navy. They can trust in Alphastone's reliability, flexibility as well as prompt and friendly service.

This year, a new department has been established. Alphastone now also offers DNV GL and LRS certified class inspections and maintenance of fire fighting and safety Equipment. Additionally, the product portfolio has been enlarged and Alphastone is now partnering with some top quality European manufacturers.
