Bilateral Meetings

- I confirm to participate in b2b sessions block 1 on Thursday 10:30-12:10

Description

Mobile Heights is a non-profit ICT cluster organisation and networking community promoting innovation and growth in the digital world by connecting business, academia and society. Mobile Heights was founded in 2009 by Sony Mobile, Ericsson, Telia Company, the Regional Council of Skåne and the universities of Lund and Malmö. Today we have more than 100 members in Southern Sweden and in the Greater Copenhagen area. Our main focus areas are Future Digital Health and Future Digital Society.
